

## IMPORTANT INFORMATION

Dear Customer

Thank you for purchasing a PowerFlow Energy battery storage system.

To help us protect our environment, PowerFlow will take back free of charge, waste industrial batteries supplied to into the market for treatment and recycling.

As a producer of industrial batteries under the Waste Batteries and Accumulators Regulations 2009, PowerFlow Energy Ltd are required to do this in any calendar year we place new industrial batteries on the market.

If any of our customers or in certain cases other end users, require us to take back industrial batteries, they should contact us at Power Flow Energy Ltd.

To do this please use the contact information below and will agree the necessary arrangements for the return, proper treatment and recycling of the waste batteries.

PowerFlow Energy Ltd
